

# 2009 SCHOLARSHIP APPLICATION

5th Annual Page's 5K Run | Sunday, October 4, 2009 | Potomac, MD

Attn: CF Care Centers  
Re: Scholarships Sponsored by Page's Memorial Foundation  
When: Sunday, October 4, 2009 at the 5th Annual Page's 5K Run  
Where: Winston Churchill High School-Potomac, Maryland

Doctors and Care Providers,

Page's Run began in memory of my daughter, Page, who passed away from complications of cystic fibrosis (CF) on June 3, 2005. Shortly after, we created the Page's Memorial Foundation to raise awareness of CF, raise money for the CF Foundation, and award scholarships to children with CF.

The 4rd Annual Page's Run in 2008 was a huge success! Last year, Page's Memorial Foundation donated \$44,500 to the Metropolitan Washington, DC Chapter of the Cystic Fibrosis Foundation and granted \$30,000 in scholarships to six college bound students with CF.

My husband Paul and I know all too well how the medical expenses add up when your child has CF, regardless of insurance coverage, which often can put a financial strain on families and leave little money left for education. Once again in 2009, we will be awarding several scholarships at various levels. We would like your help in spreading the word so that students with CF in our area can apply for these scholarships.

In the 2009 Page's Run, we expect over 1,000 participants, and we would also love for you to join us. The Kids Run will begin at 8:30am and the 5K Race/Walk at 9:00am. We have music, free food, and entertainment. The Churchill Cross Country team, who is hosting the race, along with several other school teams will be helping out with face painting and cheering on every single finisher.

We would enjoy your participation and the participation of your patients. Either way, we do hope you will encourage them to apply for the Page's Memorial Foundation scholarships. Please give the attached forms to any of your CF patients you think might be interested.

Applications should be returned by September 1, 2009 via e-mail to [sharleh@comcast.net](mailto:sharleh@comcast.net) or postmarked and mailed to:
